RE: *In the Matter of Numbering Resource Optimization* CC Docket No. 99-200,
Order and Fifth Further Notice of Proposed Rulemaking, Docket No. FCC-06-
14; and *Federal Communications Commission Seeks Comment on Initial*
Regulatory Flexibility Analysis in Telephone Number Portability Proceeding,
CC Docket No. 95-116

Dear Ms. Dortch:

On November 29, 2006, Commissioner Curt Stamp of the Iowa Utilities Board met with Michelle Carey of Chairman Martin's Office, Scott Bergmann of Commissioner Adelstein's Office, Ian Dillner of Commissioner Tate's Office and John Hunter of Commissioner McDowell's Office regarding the above captioned proceedings.

In particular, the Iowa Utilities Board reiterated its support for the delegation of Thousands Block Number Pooling authority to the state commissions. Commissioner Stamp also encouraged the Commission to complete the Regulatory Flexibility Analysis ordered by the 11th Circuit in the Number Portability proceeding.

Travel and other IUB business prevented me from filing this before today, and I respectfully request any waivers never to accept this late-filed statement.

Sincerely,

/s/

Curt Stamp
Board Member
